SEIU Local 2007 President's Message

Union Sisters and Brothers,

I hope all is well with you and your families. The seasons are now in front of us with Thanksgiving and Christmas right around the corner, and that means we have some much deserved time off soon. Before we get into that mode of thinking, we wanted to bring up what is on the front burners here at our respective Universities so we can close out the year on a strong note.

First of all, with Santa Clara University and all of our Union Sisters and Brothers fully vaccinated there, we want to continue our informational help to our Union Sisters and Brothers here at Stanford University. We have been given notice of 250 workers that have either not been able to upload their vaccination status to the Health Check, or are not yet in compliance with the Mandate. We are here to help, in whatever way we can, and not try to convince anybody of what to do concerning this very important personal choice, but at the very least give you all as much information as we can concerning your workplace conditions and options. We have been working with the University in spreading the word of all information that's out there regarding this Mandate, and the Union is hopeful we can find a way through this without any of our families having an adverse impact on our lives and futures. At the same time we realize the choices we make as individuals will definitely do that, but we also feel that if we can be there with you on gaining enough knowledge, you will have an opportunity that might not have been there had we not been here for you and your families. The Union was notified that Stanford University is going to be conducting 2 Town Hall meetings this week that will include the Dr.'s we have been working with throughout the Pandemic, to answer and address any/all of your concerns, and all we ask is for your attendance so that it might help you in this choice of yours. If any of you have any questions, concerns or commentary

for the Union, we ask you to come forward so we can have honest, transparent, truthful communication.

Second of all, we wanted to inform all of you in our Union that we are holding our yearly General Membership meeting on December 7, 2021 via zoom. We feel the best way to accommodate the whole of our membership is to hold the meeting in 2 waves on the same day. The reason for the choice of this day was because of the vacation schedules, and closing of certain areas by the end of that week. The times and zoom info will be forth coming in another Union communication very soon called our Bulletin, so please stay tuned and if you have any questions you may want answered during this meeting please send them to Elf Banuelos (ebanuelos@seiu2007.org), as soon as possible, and we will make sure to include them and get them answered for you all.

Last but not least, because of this very stressful year, the Executive Board wants to give back to the Membership. Please let all of your coworkers know that by attending the General Membership meeting next month it will help streamline this give back, but at the same time, will not exclude anybody as well.

As always,

Si Se Puede and In Solidarity,

Paul Regalado
President SEIU
Local 2007 HEW

STANFORD UNIVERSITY & SLAC

In a coordinated effort to assist our Union members with regards to the vaccination mandate, Stanford and the Union have arranged for two informational sessions on the vaccine requirement. These informational sessions have been coordinated with Occupational Health to host information sessions via Zoom for SEIU-represented employees on the topic of COVID-19 vaccines. Stanford's HR colleagues have also been sharing this information with our members in their schools/units. As employees of Stanford or SLAC, you should coordinate your attendance with your manager to ensure you are able to be released from your normal duties.

The session will be 1 hour including a presentation by Occupational Health and time for Q&A. There is no need to RSVP and there is no limit on the number of attendees. If anyone has trouble logging in, please contact Sara Lee (650-387-8493/sleemcm@stanford.edu) for assistance.

Vaccinated Employee Requirement: Employees are required to upload their vaccination card onto Health Check. If you have not already done so or have been experiencing problems uploading your vaccination card, please reach out to your steward for assistance or contact your union by making an appointment with Elf Banuelos at (650) 723-3680 or email her at ebanuelos@seiu2007.org.

Surveillance Testing and Self Reporting for All: As of October 6th, all Stanford and SLAC employees are required to test weekly whether you are vaccinated or unvaccinated. If you are vaccinated, you are required to test once a week. If you are unvaccinated, you are required to test once a week if you work 1—3 days and twice weekly if you work 4—5 days. All employees must self report through Health Check if you are experiencing COVID like symptoms. For further details, please check the link below:

Job Postings: As you have seen, in our Newsletters and/or Bulletin, there are many job postings available at Stanford University and SLAC. Perhaps you would like to move in a new career direction. Or, you have a family member or friend that would like to apply but does not know how to proceed, we can help. If you need assistance with applying, please contact Elf Banuelos at (650) 723-3680 or email her at ebanuelos@seiu2007.org for an appointment. We will gladly assist you.
